In presenting to the public this min-isture edition of the DISPATCH, although the body of the paper is a reproduction of our issue of date October 4, we have deemed best to make the first page a fac simile of that page in our issue of Sentember 20, the morning following the death of President Gar-field. It will be a memento of the sorrowful event that arrayed the Nation in mourning and profoundly shocked the world.

Tor caucus is coming.

CORGAN'S chances appears to be very

alender.

The Supreme Court got down to business the first day.

THE Stat Routers have got us far as the Grand Jury room.

THAT Westmoreland oil field begins to look as though there were millions in it. TERRE is a probability that the machine will be more or less damaged to New York

morrow.

Tory are beginning to wonder again at Yashington if it will be safe to attempt to

Machagiou if it will be rafe to attempt produce Gerrese in court.

The question of who will be nominated for Commessioner to-day seems to have been closured by the commentum only arises as to who will be Chairman of the Convention. Both questions are important.

THE postponement of the Marginal mat-ter in Councils yesterday is understool to have here primarily due to the fact that the benearate Convention Chairmanship was taking up a heap of the time of some results.

people.

I it is given out on good authority that the many of the milk dealest of this ety are acting adulterated units. A fight between a comparation of the milk dealest of the expension of the milk dealest of the expension of the milk dealest of the expension of the expension

Every man must be rigged to cost and panis,
And so next his attern won his courses and bit

BOTH "Stalwarts" and GARFIELD Repub-licans claim a victory in the New York pil-naires. The troth is the GARFIELD Repub-icans are victorious now, but the "Sulf-warts" expect to be in the Convention.

It is had enough to be compelled to buy milk that Is half water, if one buys wilk at all, but it is worse than bad to be compelled to pay twee the price of good wilk for the bad mixture.

HER LUNATIC MAIRSTY is called the hunter's moon this month on account of the wast preponderance of office-bunters.

THE Boss papers do not use the wor "stalwart" now as they did before the assa sination. How is that?

IF the voice of New York Republication of New York Republication will be a dead cock in the pit. Ton Coopen's daily command to his jour-school camp-followers. "Don't advertise Wolffe."

It is not BAILY the CARFIELD Republicans are fighing, but BAILY'S Busies.

CRANT will not lead the "Stalwart" wing of the New York Convention.

PLRSON AL,

THE fund for Mrs. Garfield and family non-mehns \$3.6,679. reaches \$3.6,679.

Die, W. H. Winstow, who has been visiting the hospitals of Europe, has returned.

PRESIDENT ARTHUR will be 51 years old to-norrow—a good time to turn over a new leaf.

I would call special attention to the very low figures at which I am enabled to make Garments to order. Having the most extensive Tailoring Store in the State, my array and assortment of Cloths and Cassimeres can be surpassed by none. Space forbids the enumeration of all. Among others, will be found a full line of Cheviots, in all colors; a large assortment of Worsteds and Diagonals, Empire Woolens, Cowan's Suitings, Globe Mills Piccadilly Suitings, Washington Stripes. Ask for the English Pantalooning, very novel. An early call is respect-
